### **Use of ICT for effective teaching-learning process**

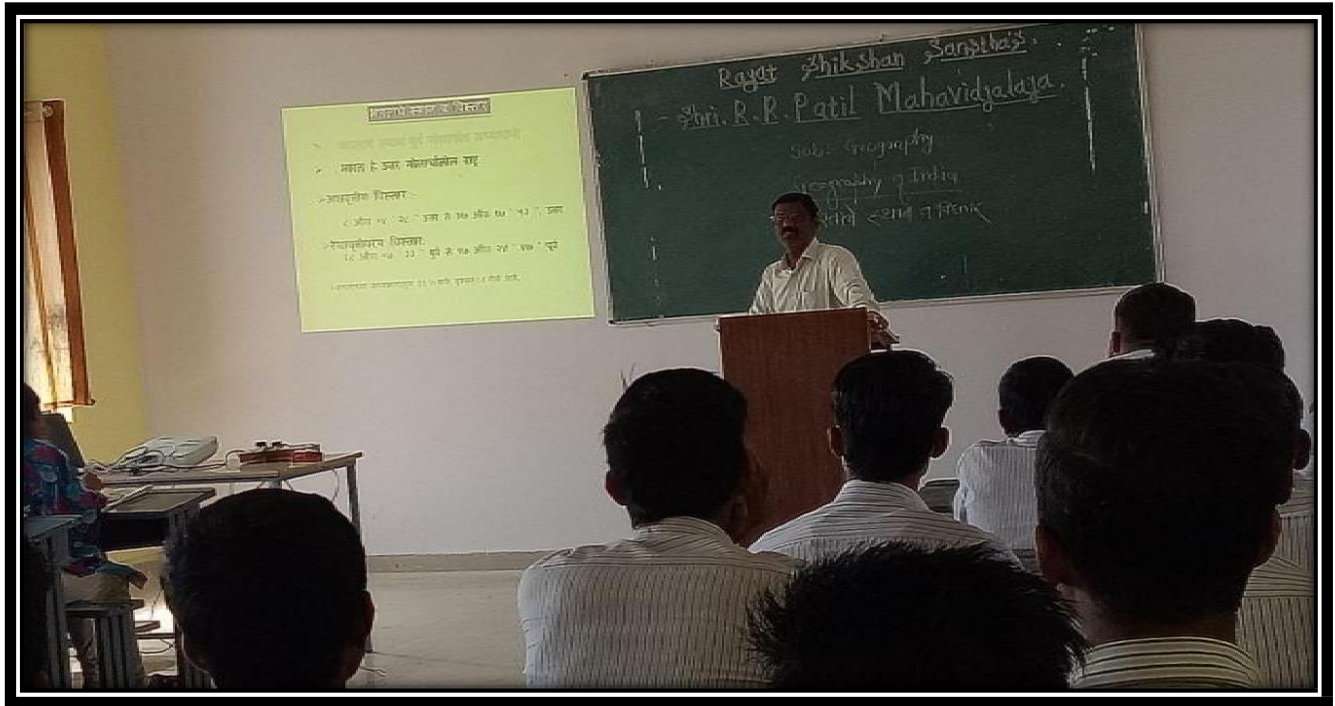

The technology has been updated in the college in view of updating the teaching process. Teachers from the institute make the use of technology in teaching for effectiveness. Teachers use their knowledge and skills to create new standard tools to enhance the quality of students. ICT is a great tool for good communication with students and effective presentation. It is an effective means of gathering useful information from different sources for the academic progress of the students.

The college has ICT enabled classrooms having LCD projectors, Laptops, Desktops which helps in the e-learning process. Teachers use and share E-books and various links regarding syllabus which are useful for the students also we have Rayat knowledge bank on college website which contains various videos related to syllabus. Teachers make power point presentations on offline and online platform like Zoom, Google Meet, Google classroom etc. Also teachers make video lectures and upload it on Zoom or Google classroom. Teachers make syllabus oriented notes and reading materials and share to the students through Whatsapp group, E-mail or in pen drive.

### **Smart Classroom**

**Prof. Jadhav M. V. conducts period of Geography with the use of ICT**

# ICT- Google Classroom

The screenshot shows the Google Classroom interface for a class titled "B.A. II Compulsory English" at "Shri. R. R. Patil Mahavidhyalay Savlaj". The interface includes a top navigation bar with tabs for "Stream", "Classwork", "People", and "Grades". A blue header banner features the class name and a "Customize" button. Below the banner, there are several widgets: a "Class code" widget showing "n5uje24", an "Announce something to your class" text box, an "Upcoming" widget stating "No work due soon", and a notification from the "Department of English" about a new material titled "English for Advertising" posted on Jan 28, 2021. A task card for "CamScanner 01-28-2021 O... PDF" is also visible. The bottom of the image shows a Windows taskbar with various application icons and system information like "29°C Cloudy" and the date "03-02-2023".

**Department of Chemistry**

**Academic Year 2021-22**

### **Information and Communication Technology (ICT)- Report**

To inculcate effective learning abilities and research skills, to extend the intellectual depth, to make students creative, innovative and self-reliant, Chemistry, department is always ahead in performing the various academic activities.

Objectives:-

1. To create awareness among students with new educational technology
2. To understand traditional and modern concepts easily and properly
3. To update teaching learning process
4. To teach complicated subject matter with the help of ICT
5. To create awareness among students about software and their applications.

Department of Chemistry use LCD projector, Power Point Presentation and some online resources in the teaching-learning process. It has the subject wise PPT bank. These PPTs are made available for students and faculty. Faculty conduct lectures by using PowerPoint Presentations on LCD projectors so that students can understand clearly by watching the actual images and photographs of any concerned topic. Usually, we show videos of topics, practical procedures, and several concepts to make students understand these aspects related to any theory or practical. The videos, notes are sent on WhatsApp groups.

**Whatsapp Group Links:**

Sr. No.	Class	WhatsApp Group Link
1	B.Sc.-I	<a href="https://chat.whatsapp.com/EkFz44qSxOH6259vMhah5J">https://chat.whatsapp.com/EkFz44qSxOH6259vMhah5J</a>
2	B.Sc.-II	<a href="https://chat.whatsapp.com/LNYsTV6QWtaJG9ivzXk6hs">https://chat.whatsapp.com/LNYsTV6QWtaJG9ivzXk6hs</a>
3	B.Sc.-III	<a href="https://chat.whatsapp.com/JoZXa8AFSAv67cWx8i8B8K">https://chat.whatsapp.com/JoZXa8AFSAv67cWx8i8B8K</a>

The messages for notices, lectures, notes etc. are sent on Whatasapp groups. For online practicals, videos are shared or links to the videos on YouTube are given.

For the student development, syllabus oriented important ICT tools are used by the department of Chemistry during the academic year 2021-22 are as mentioned below.

Major ICT tools used in teaching-learning process:

1. Computer- laptop - 02
2. LCD Projector -01
3. Internet
4. Various Apps:- Google meet, Zoom Google documents,
5. Social Media- What's App, YouTube etc.

The Departmental details of the ICT as following:

Sr. No.	Particular of ICT	No.
1	PPT	20
2	You Tube Video	05
3	Zoom App	03
4	E-Book	10
5	E-Link	23
6	Whatsapp groups Class wise	03
7	Scientific Movie	02

**Outcomes:-**

1. The students became aware about the new educational technology in Chemistry.
2. The purpose of this ICT enabled teaching is to give idea to prepare PPTs, presentation skills, knowledge.
3. Students get study material at home through various apps or social media.
4. Faculties and students become familiar with ICT tools especially with the social media.
5. It becomes easier to teach complicated subject matter with the help of ICT.
6. The students were aware about the software and their applications.
